## **Newsletter – October 2024**

### **Message from the President**

I am thrilled to share the incredible success of our October Official Championships! It was a weekend full of remarkable performances, team spirit, and a true celebration of dressage. Our riders gave their all in every test, and it was a pleasure to witness such talent and dedication across all levels.

A special thank you to our wonderful sponsors, volunteers, esteemed judges, and supporters who contributed to making this event unforgettable. Your support has been tremendous, and I'd like to extend heartfelt gratitude for your generosity. Vicki Kay's Members Highest Score Trophy was a highlight, with Sue Walker achieving an outstanding 76%! And of course, thank you to The Environmental Factor for sponsoring the fantastic happy hour each day, which was enjoyed by all.

To our amazing riders, your passion for the sport shone through in every test. Whether you were competing for the first time or as a seasoned competitor, your dedication was inspiring. Congratulations to all our winners and participants—what a way to round off the year!

I would also like to say a massive thank you to our dedicated committee members, who work tirelessly behind the scenes balancing life, work, family and CWDG tasks to ensure these events run smoothly. Your hard work and commitment are truly appreciated, and without you none of our events could happen - Thank you Team!

Looking ahead, we have more exciting events planned, and I'm eager to see our community continue to grow. Your support and enthusiasm are what make our club special, and I look forward to what we will achieve together in the coming months and into to 2025. We're excited to announce that our Club Championships will be held on Saturday, 30th November. We can't wait to see even more of our talented riders compete and showcase their skills. ## Upcoming José Mendez clinic at Winterwood Sport Horses Bathurst

Secure your lesson with Classical dressage master - José Mendez!

Enter the realm of classical horsemanship guided by the classical master José Mendez, an esteemed FEI trainer, coach and competitor. José's depth of experience stretches across the globe from performing the 'airs above ground' to successfully competing grand prix dressage, he is particularly recognised for his piaffe, passage and work in hand. With a wealth of knowledge and a profound understanding of how to work in partnership with the horse and further develop their physique to endure longevity and soundness. José is dedicated to nurturing the true essence of equestrian artistry.

José's philosophy is to train with Appreciation, Sincerity and Kindness (ASK), where he instils in riders a deep appreciation for the delicate dance of communication and harmony between horse and rider, to become one. With an emphasis on correct biomechanics, Jose's training method unravels the secrets of achieving the sublime art of lightness and suppleness, without force. He guides riders in developing a solid foundation and understanding the intricate nuances necessary for this pinnacle of dressage expression.

**23-24 November** – perfectly timed just before our Club Championships!
